We are working hard
To keep you safe...

All our staff and clients
are fully vaccinated for
COVID-19

Our studio is fully
sanitised after every class

Our staff and clients
are wearing masks

Following the most recent government orders, TPW will only be able to have clients in the studio who have received both doses of a COVID-19 vaccine or who are medically exempt. **We will be asking all our clients to bring proof of vaccination to the studio on their first visit.** Alternatively, you can email your 'Immunisation History Statement' to info@thepilatesworkshop.com.au

We are a **fully-vaccinated team** and will be working hard to ensure the safety of all our clients. Our spacious studio will allow exercise in socially-distanced comfort and we will be disinfecting all surfaces in the studio after every class. We will also be offering a complimentary cleaning cloth for all members to bring to class – when you come in grab one at reception!
